

## 36th Anniversary Benefit

**Victoria Kennedy**, widow of Senator Edward Kennedy, will be our honored guest speaker. Mrs. Kennedy is President and co-founder of Common Sense about Kids and Guns, a non-profit, non-partisan organization focused on raising awareness of and addressing issues related to gun deaths and injuries to children in the United States. She is a regular lecturer at the American University Washington Semester Program, and speaks on public policy issues related to gun violence prevention and encouraging college students to engage in their communities. Mrs. Kennedy is active in issues related to women, children, families, homelessness, economic opportunity, health care, education, domestic violence and involvement in the political process.

**Our emcee will be announced shortly.**

*Every year, Washingtonians have gathered at the Wendt Center Benefit to enjoy an evening featuring a reception, dinner, auction and noteworthy speaker, such as Tim Russert, William Styron, Cokie Roberts, Anna Quindlen, Elizabeth Edwards, Melanie Bloom, Katie Couric and Roger Rosenblatt. We hope you will support the Wendt Center's 36th Anniversary Benefit, and join us for a memorable event.*
